N SRI HARI BHARGAV RAJU

Software Engineer

+91 7331162178 | nshbr2612@gmail.com | bhargavraju.live | LinkedIn: @BhargavNadimpally

Summary:

A Third Year computer science student, craving for learning new things and also passionate in the field of data science and internet of things. Always strives to do the given work on time and is keen to do work.

Education:

- Bennett University - CGPA- 8.00   May-2025
  B.tech CSE specialised in Data Science

Skills:

1. Data Science	5. Data Structures	9. Object oriented Programing
2. Python	6. Communication Skills	10. Cloud Computing
3. C++	7. Machine Learning	11. M S Office
4. HTML / CSS	8. Java Script	12. Digital Marketing

Internships and Work Experience:

- **TechCurators- TC Group of companies**   Delhi
  Growth and strategy analyst   06/2024 - present
  Looked over building connections with other B2B giants for introducing Rabbitt AI. Worked on marketing and building the brand of Rabbitt AI.

- **Coders Cave**   Greater Noida
  Data Analyst Intern   08/2023 - 09/2023
  Has been hired to gain experience in the field of data science. I was given a task of creating two projects which are namely Covid19 Analysis and a diabetic prediction system

- **Y-Hills**   Hyderabad
  Data Analyst Intern   07/2022 - 09/2022
  Constructed a predictive model that accurately finds the strength of concrete by taking the input of the materials mixed in the concrete.

Projects :

- **Glimpse**   09/2023 - 12/2023
  Text or voice to sign language translator. We have designed an AI model which converts a conventional language into a sign language and vice versa.

- **AID Maps**   01/2023 - 05/2023
  Revolutionising emergency response with AID Maps: Quick access to life-saving assistance at your fingertips.

- **Capture and transfer**   04/2023 - 05/2023
  An optimised image streaming protocol for reliable transmission over loss-prone networks.

- **Book Recommendation System**   03/2023 - 05/2023
  Built using data science modules, this system dynamically suggests books to the user based on their taste.

- **Soil Health Checking Module**   08/2023 - 12/2023
  An IOT project which checks the soil moisture and sends the input to the subscriber.

Courses and Certifications:

- IBM Data Analyst- IBM Data Analyst Specialisation IBM   03/2023 - 05/2023
- Predictive Modeling and Analytics   01/2023 - 02/2023
- AWS Cloud Quest - Cloud Practitioner   10/2023 - 12/2023

- Google Certification in Digital Marketing - Google   04/2023 - 05/2023
- The Bits and Bytes of Computer Networking by Google   03/2023 - 05/2023

Extra Curricular:

- Events Co-Head   09/2023 - 05/2024
  ACM Bennett University
- Multimedia Head   11/2022 - 05/2023
  Bennett UnderGrad research Society
- PR and Outreach   11/2021 - 05/2022
  Enactus Bennett University

